

Todo Noticias

This word cloud illustrates the frequency of various words in the dataset. The size of each word corresponds to its frequency, with larger words representing more common terms. The words are color-coded in a gradient, ranging from dark purple for the most frequent to light yellow for the least frequent. The most prominent words include 'sebastián diaz', 'macri', 'imafia', 'carlos', 'correa', 'taricco', 'jony', 'privatistas', 'disminucion', and 'varisco'. Other notable words include 'jajajj', 'jonhy', 'narcospert', 'ultraderecha', 'cumpita', 'lechoso', 'aspiracionales', and 'canaletti'.
